April 6-7-8, 1961

The sixth Illinois Town and Country Art Show reflects continuing interest of Illinois residents in art and craft work.

Sixteen University of Illinois art jurists selected 243 pieces at 29 local shows for this exhibition. There are 230 different exhibitors from 51 widely scattered Illinois counties represented in the show. Jurymen for this exhibit were Professors Nicholas Britsky and Kenneth M. Lansing, Department of Art.

We are proud to present the work of the amateur artists of Illinois. The response to the project is most gratifying. Many of the paintings are for sale at the prices indicated. Arrangements for purchase should be made with the artist.
